Sir

Thank you very much. Insp Barclay has done an excellent job leading this and Insp Walker has fully engaged Intel Ops in the required actions provincially. Further, our analytical team – especially Trish Ingalls and Catherine Palermo- has been excellent in acquiring and providing the information required by stakeholders nationally. I agree with you that the team has done an excellent job here – and clearly established the OPP as the leader in these initiatives.

Thank-you for the email to everyone,
Pat

Pat,

There has been great collaboration amongst our intelligence bureaus/units as well as with our policing partners along the route to Ottawa. The established integration and cooperation between the RCMP, Ottawa Police Service (OPS), Surete du Quebec, Parliamentary Protection Services and the OPP, along with the planning undertaken by the OPS have positioned us well to maintain safety and security throughout the weekend.

Please extend my gratitude to your entire team for the leadership role POIB has and will continue to perform in relation to this protest.

Thank you,

C.E.J. (Chuck) Cox
